

## Financial Statement for International Students

### 2012-2013 ACADEMIC YEAR

**FINANCIAL CERTIFICATION** is required by the US Government for all accepted international students planning to study at MICA under an **F-1 student visa**. The Financial Certificate does not affect admission or scholarship eligibility, and therefore is not required at the time of application. Fully admitted students may wait until the conclusion of the merit scholarship competition to submit financial information.

To OBTAIN a MICA issued I-20 fully admitted applicants must submit:

- (1) **CERTIFICATE OF FINANCES with attached required financial documents** (as described below).
- (2) **IMMIGRATION INFORMATION FORM**
- (3) **I-20 TRANSFER FORM with attached photocopy of current I-20** (only required if currently attending a US institution on an F-1 visa)
- (4) **COPY OF VALID PASSPORT**
