

MICA PET LIABILITY WAIVER

You are solely responsible for supervising your pet and determining whether or not this is an appropriate area to bring your pet. You must understand that you do so at your own risk (and the risk of your pet).

Warning of Risk

Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury, including death to the pet. Certain inherent risks include the propensity of any pet to behave in dangerous ways that may result in injury to another person or pet. Other risks include, but are not limited to, the inexperience, negligence or irresponsibility of a pet owner; the inability to predict a pet's reaction to sound, movements, objects, persons, or other animals; and actions by the pet due to fright, anger, stress, insect bites, or natural reactions such as jumping, pulling, resisting and biting. Other risks include the hazards associated with environmental and traffic conditions, acts of God, inclement weather, slipping, falling, premises defects, failure in instruction/supervision, and all other circumstances inherent to pet activities. Should you attempt to break up a fight between pets, you may be attacked and severely mauled by the other pet, or by another person. In this regard, it must be recognized that it is impossible for MICA to guarantee absolute safety.
