EARLY DECISION PLAN AGREEMENT

The Early Decision Program is intended for students who have decided MICA is their first choice college for study, and is a binding agreement. You may have applied to other colleges, but with the understanding that if you were accepted to MICA, you would withdraw all other applications and enroll at the Maryland Institute College of Art.

If admitted under Early Decision, you are required to submit a non-refundable $450 tuition deposit and a $550 housing deposit by February 1, 2016.

I, _____________________________, certify that the Maryland Institute College of Art is my first choice college, and that under the Early Decision Plan I will enroll, provided adequate financial aid is awarded. I understand that the First Choice plan permitted me to initiate other applications for admission, but I agreed to withdraw such applications and make no subsequent applications upon notification of admission to MICA.
