**Wall height:** 8ft

*Other Important Reminders:*

- The walls of the Gateway galleries **cannot** be painted. Any other proposed modifications should be discussed with Katie prior to installation.
- Vinyl lettering (with at least a show title and artist name) is **highly** recommended in order to differentiate your work from the work in the other Gateway gallery.
- Work exhibited in the Gateway galleries is highly visible from the street. Please be sure to take that into consideration during your installation and use that factor to your advantage.
